It's amazing how fast a year can go by. The Crew celebrated the close of 2010 with their ritual viewing of the Hollywood movie, The Htichhiker's Guide to the Galaxy, along with their brewing contest and search for the finest, most refreshing drink without going to the Restaurant at the End of the Universe. From Wikipedia, President of the Universe Zaphod Beeblebrox is the inventor of the Pan-Galactic Gargle Blaster, a fictional cocktail. The Douglas Adams novel states that the effect of one "is like having your brain smashed out by a slice of lemon wrapped round a large gold brick." In the BBC television series, two Gargle Blaster drinkers collapse in open-eyed unconsciousness after drinking while the spilled drink burns a hole in the floor; in the film, after the Guide is done explaining what the Pan-Galactic Gargle Blaster is and its effects, Ford Prefect and Zaphod yell in pain. The novel gives the recipe as follows:

"Take the juice from one bottle of that Ol' Janx Spirit.

Pour into it one measure of water from the seas of Santraginus V
