Summer Super Activities:

Jun.	Cycling Trip @ San Juan Islands	TBD	TBD

4-5 days. There is no minimum or maximum number who can go. Costs will be kept to a minimum, targeting under \$150.

Jun. 30-Jul. 6 Salmon River Whitewater Rafting (\$600.00) TBD TBD

We will travel to White Bird, Idaho and raft the Salmon River to the confluence of the Salmon and Snake Rivers. We will then board a jet boat and ride through Hell's Canyon back to White Bird. Counting the full day's drive at the beginning and end, this will be a 7 day event and should cost \$600 each. If we can assemble a maximum of 25 people, the cost can be reduced to \$550 or less. There is a minimum of 10 required.

Aug. Kayaking the Columbia River (approx. \$250.00) TBD TBD

Avoiding any conflict with various band camps, we will kayak the Columbia River from west of Bonneville Dam to the sea, or as far as we can make it. The total distance could be 146 miles, but we will plan for morning-only paddling to avoid afternoon winds, and calculate for tidal current effects on the river if and when we pass Longview. This will be a 6 or 7 day trip and costs will be kept to a minimum, targeting under \$250.
